Farm Journal 5 Years.

PAY UP AND GET BOTH PA-PERS AT PRICE OF ONE.

We want to get 100 subscribers to our paper by New Years, and we are going to do it if we can; we therefore continue our arrangement with the Farm Journal by which we can send the Pocahontas Times 1 year and the Farm Journal 5 years, both for \$1.00. And we make the same offer to all old subscribers who will pay all as rearages and one year in advance.

You know what our paper is, and the Farm Journal is a gempractical, progressive—a.clean, ho nest paper-full of gumption, full of sunshine, with an immense cir. culation among the best people everywhere. You ought to take it.

payment to the undersigned Sheriff of the amount due thereou. Given under my hand this 27th day of November, 1899. R. W. HILL, S. P. C.

Our fall and winter stock is now complete, and never before have we been able to present to our patrons so large and well assorted stock as we now have on hands. We have been told by many customers that no other store does as well by them as we do. We certainly try to excel. We have the facilities and the disposition, and no one else ought to be better able to satisfy a customer than we. By years of study and systematic practice we have to some extent at least-worked over the problems of profitable buying, and this experience is as much to our customers' benefit as it is to ours. If you are not with us come to us; others have never regretted it, and neither will you. All we ask is to compare prices and qualities, and you will find we oan save you money.

Very respectfully, Jackson Cackley & Co.

Leaders of Low Prices.

Ronceverte, W. Va.
